

Move seats. You will be working with your team for 2 weeks. Listen to your team lead. They have the final say. Team leads listen to your team, you cannot finish alone. ...Team leads also need to DELEGATE and not do everything themselves.

uHero

Jackie - project lead

Jesse/Jackie - lead engineers

Jesse - deployment

UI/Interface

Joelle (UI Director)

Jon (dev)

Team1

Jackie (lead engineer for team)

Jon (floating dev)

Joelle (floating dev)

Team2

Jesse (lead engineer for team)

Brandon (dev)

Yukio (dev, also QA & testing)

Project Components

1. data conversion, formatting (see Innovation_Dash.zip)
2. timebar
3. line graph
4. US map
5. Hawaii County map
6. (copywriting)
7. etc...

This project is not responsive (made specifically for desktop).

Responsive is a stretch goal.

Timeline

Complete development by March 26

Deploy March 27
